

Summer 2: Can you win gold at the coast?

In History:

We will be finding out about how the common wealth games started. We will also look at countries that were once part of the British Empire.

In PE:

We will be practising all of the athletic skills that are needed to become a competitor in the common wealth games.

In Art:

We will be designing and making sportswear so that we can compete in our very own common wealth games.

In Geography:

We will compare Sheffield in the United Kingdom to Australia's gold coast. We will also use maps and atlases to find many of the countries that take part in the common wealth games.

In Computing

We will be turning bee-bots into athletes and giving them instructions on how to complete an obstacle course.

In RE :

We will be learning about stories from Christianity.

In RE

We will be learning the story of the good Samaritan and thinking about how we can use these ideas to be a good sportsman.

**Gold Coast
2018**

XXI Commonwealth Games

QUEENSLAND

In Science:

We will be finding out about plants and trees that grow in the UK and compare these to ones that grow in Australia.

Cross curricular links

English:

We will be writing newspaper reports all about the 2018 common wealth games. We will also be pretending that we are in Australia and write post cards home.
