

Dear parents/carers

Our school will soon be starting to use **CHATTA**, an app to support children's communication and language skills.

Chatta is free for parents, and recently named as one of the world's best education innovations for 2019.

On **Wednesday 13th March**, Chris Williams, the creator of this programme, will be visiting school to work with children and staff.

We would like to invite you to a short introductory talk from Chris at school at **9am**. He will explain how the app works and will offer advice on how you can use it at home to support your child. The talk should not last more than 20 minutes **and refreshments will be served!**

If you would like to attend please sign up in class.

You can read more about the app by following this link:

<https://chattalearning.com>

We look forward to seeing you at the meeting,

Mrs. Shepherd / FS Staff
