### Google Meet

Dear Parents/Carers

I hope you are all keeping safe and well.

Thank you to all of you who are supporting the education of your child, by logging in daily to Google Classroom and answering calls from school so that class teachers and teaching assistants can offer support where needed. Your support and cooperation in this is greatly appreciated.

In order to continually improve the online learning experience for your child, we are going to introduce a **daily** 'Google Meet' session for Years 1-6 and a **twice weekly** session for children in FS1 and FS2. This will be an opportunity for your child to meet up with their class members and class teachers. We hope that this will give your children opportunities to share any news, discuss successful learning and address any issues that they may have. These meetings will take the form of a video call. Therefore your child must be dressed appropriately (no PJ's or Onesies) and be in a quiet space where they are able to listen to their teacher.

For safeguarding reasons we would like where possible for an adult to be present during these sessions. However, we respectfully ask any adults to remember that the **meeting is for children**. It is **NOT** an opportunity for parents to insist to speak to the class teacher about personal issues relating to their child. Any concerns you have with regards to your child should be discussed privately. **You can contact school to arrange to speak to your child's class teacher at a different time.**

We have attached a timetable for each year group. We have attempted to stagger these times so we can try to ensure siblings are not expected to be on at the same time. Apologies if there are any clashes. If this is the case, then we suggest that your children take it in turns throughout the week.

If you do not wish your child to be a part of these meetings please contact school to let us know. Unfortunately, your child may still receive an invite to the meeting, however, if the class teacher is aware that your child should not be on the call, they will ensure that they are switched off if they do attempt to join.

Year Group	Y1	Y2	Y3	Y4	Y5	Y6
