## WELCOME BACK!

Dear Parents/Carers,

Thank you so much for your help in making our return to school smooth and safe. It's wonderful to have school full of children again and it has been great to catch up with them all today.

Please may I remind you all that one of the safety measures we have implemented is staggered start and finish times (these are on the next page). It is essential that these are adhered to. Parents and carers are welcome to come onto the school site but must drop their children off at their classroom door at the appropriate time. Children must not arrive at school early or late, this is to prevent large gatherings and ensure the safety of all.

Thanks, as always, for your support. If you have any questions or concerns, please let me know.
