This Acceptable Use Policy

We endeavour to teach our children to be responsible users of ICT and provide them with the guidance necessary to keep them safe when using online technologies. The school will try to ensure that our children will have good access to ICT to enhance their learning, but in return will expect the children to agree to be responsible users.

This is how we stay safe at Key Stage 1 when we use computers:

- I will ask a teacher / an adult if I want to use the computer.
- I will only use activities that the teacher /an adult has told or allowed me to use.
- I will take care of the computer and other equipment.
- I will ask for help from the teacher / an adult if I am not sure what to do or if I think I have done something wrong.
- I will tell the teacher / an adult if I see something that upsets me on the screen.
- I know not to talk to strangers online.
- I will keep my personal information and passwords safe.
- I will always be nice if I do post or put up messages online.
- I know that if I break the rules I might not be allowed to use the computer.
