

Y5 LM News

WHAT HAVE Y5 LM BEEN UP TO THIS WEEK?

REPORTED BY OLLIE, SOPHIA AND ALVIN.

In Maths, the children have learnt about timetables and how they work. They have also done a post-unit quiz. Miss Hill has taught them Maths for the past few weeks and she will continue to teach them over this and the rest of the terms.

Then, in English, the children have completed a newspaper report for the warm write and the hot write. The pupil who was the star writer for the warm write was ... **Mia**. Mrs McGrath stated, 'Every piece of learning that the children produced was brilliant, but I had to choose Mia for her excellent learning!'

In Curriculum, for History, the children have been writing about the Windrush Scandal and what happened in April 2018.

In RSHE, the children wrote about what a good friendship was and why friendships are important. In Music, Y5 LM have been rehearsing the poem 'Football Mad'. The children will be performing this to the Y6's in the final week of term.

In PE this week the pupils did multi-skills again but more advance skills. There were different stations. The stations included running, skipping and dribbling a football.

Mr. Clark taught Science in Y5LM this week. Children were engaged within the lesson. They learnt about forces.

Oliver and Cody during the science lesson.

Something unusual and unexpected happened in Y5 LM this week. Two new members have joined the class! They were captured on camera. Lucas J said "I am happy but also a little bit scared about the elves".

The elves.

The star learners this week were Josh and Sophia and star swimmers were Tulisa and Miley.

Star learners.

Star swimmers.

In the afternoon University students are visiting Y5 LM and they will lead a debate where children will take part.

More details to come up on Y5 LM news report next week.
